Empowering Your Career Journey

Olga Kuvshinova

You are VALUABLE

WORDCAMP
LISBOA 2023

Intro

Self-confidence is vital in job search and career development.

It empowers individuals to excel professionally by capturing attention, inspiring trust, and opening doors of opportunity. Effective communication of skills and aspirations is enhanced through self-assurance.

Nurture self-confidence for personal and professional growth, shaping a remarkable career and making a lasting impact.

**“Try not to become a man of
success. Rather become a man of
value.”**

- Albert Einstein

Multitask

Value

Showcase value that you brought

AI

Use all the tools available to save your time, but proofread

Words

Use same words they use on the job post

Honesty

Don't lie about your qualifications - it will be revealed

Network

Most people get hired through network

Self-esteem

Be confident and know your worth

**You've got what it
takes!**
